**MOHAMED SATHAK HAMID
COLLEGE OF ARTS AND SCIENCE FOR WOMEN**

**POKKUVARATHU NAGAR, RAMESWARAM MAINTENANCE ROAD, VANI
POST, SAKKARAKOTTAI (PANCHAYAT), RAMANATHAPURAM 623536**

MOHAMED SATHAK HAMID COLLEGE OF ARTS AND SCIENCE FOR WOMEN

RAMANATHAPURAM

ABOUT THE COLLEGE

The Mohamed Sathak Trust was founded in 1973 by the philanthropic family of the late Mohamed Sathak Thamby of Kilakarai, Ramanathapuram District, Tamil Nadu, with the primary mission of uplifting the underprivileged through quality education. Over the years, the Trust has established numerous educational institutions across various fields, including Engineering, Commerce, Management, Science, Humanities, and Technology. These institutions, spanning Kilakarai, Ramanathapuram, and Chennai, are testament to the Trust's unwavering commitment to providing accessible and transformative education.

Building upon its longstanding legacy of educational excellence, the Mohamed Sathak Trust recognized the significant need for empowering women through higher education. As a result, the Trust decided to establish a dedicated women's college in Ramanathapuram, named in honor of the late former chairman, Alhaj Dr. S. M. Hamid Abdul Quadir. The institution was envisioned with the singular goal of providing women in the region with access to high-quality education and fostering their holistic development.

Thus, Mohamed Sathak Hamid College of Arts and Science for Women was established in 2018. This institution is a vital addition to the Mohamed Sathak Trust's growing portfolio of educational initiatives. The college aims to meet the educational needs of women in rural areas of Ramanathapuram and surrounding regions, helping to bridge the educational gap and empower women to contribute meaningfully to society. Admission is open to all eligible women, regardless of caste, creed, or financial background, reflecting the institution's commitment to secularism, national integration, and communal harmony.

AFFILIATION

Affiliated with Alagappa University and recognized by the State Government of Tamil Nadu under G.O. 68 dated 19.04.2018, the college offers a state-of-the-art learning environment, equipped with modern infrastructure and facilities that are on par with the best institutions in the country.

MOTTO

“Empowering Women through Excellence in Holistic Education”

VISION

To empower women through holistic higher education, fostering leadership, creativity, employability, entrepreneurship, and societal contribution

MISSION

By promoting the college as a first choice of Women’s education in Ramanathapuram by providing top quality learning opportunities and services to meet a variety of career choices and make them a responsive, flexible and good human being.

OBJECTIVES

Promote Academic Excellence - Offer high-quality education in arts and science disciplines that equips women with the knowledge, skills, and critical thinking abilities necessary for personal and professional success.

Foster Leadership and Empowerment - Develop leadership qualities in students, encouraging them to take on roles of responsibility and become active contributors to society.

Encourage Creativity and Innovation - Provide a learning environment that nurtures creativity, curiosity, and innovation, allowing students to explore their potential in diverse fields.

Support Personal and Professional Growth - Offer programs and opportunities that promote holistic development, including personality development, communication skills, and career guidance.

Promote Social Responsibility and Community Engagement - Instill a sense of social responsibility in students, encouraging them to actively engage in community service and work towards societal progress.

Honor Local Culture and Heritage - Encourage students to explore and create business opportunities that reflect the unique cultural and economic strengths of the region, fostering innovation and sustainability in local industries while embracing global perspectives.

Create an Inclusive and Supportive Environment - Ensure a safe, inclusive, and supportive campus that encourages the growth of women from diverse backgrounds, promoting equality and mutual respect.

Develop Research and Academic Partnerships - Encourage research and collaboration with local, national, and international institutions to enhance academic rigor and provide students with opportunities for growth and innovation.

Enhance Sustainable Practices - Promote sustainability through green campus initiatives, encouraging students to think critically about environmental issues and the importance of sustainable development.

CORE VALUES

Empowerment - We are committed to empowering women by providing them with the knowledge, skills, and confidence to excel in all spheres of life. Our education fosters leadership, independence, and resilience, enabling women to become change-makers in society.

Excellence in Education - We strive to deliver the highest standards of education, blending academic rigor with holistic development. Our approach nurtures critical thinking, creativity, and a passion for lifelong learning, preparing students for the challenges of a rapidly evolving world.

Integrity and Ethics - We uphold the highest ethical standards, encouraging students to act with honesty, responsibility, and fairness in their academic pursuits and personal

lives. We believe in fostering a culture of integrity that guides our students in making ethical decisions throughout their careers.

Inclusivity and Diversity - We value the diversity of backgrounds, perspectives, and experiences that each individual brings. Our inclusive environment respects all cultures, ideas, and viewpoints, helping students to appreciate differences and work collaboratively towards common goals.

Holistic Development - We believe in the holistic development of our students—intellectual, emotional, physical, and social. Our focus on extracurricular activities, community engagement, and personal growth equips students with the tools to become well-rounded, compassionate, and responsible citizens.

Social Responsibility - We are committed to nurturing socially conscious individuals who actively contribute to the betterment of society. Our students are encouraged to engage in community service, leadership roles, and initiatives that promote social change and sustainability

Innovation and Creativity - We foster a culture of innovation and creative thinking, encouraging students to explore new ideas, embrace change, and pursue entrepreneurial ventures. By promoting a spirit of inquiry and experimentation, we prepare students to become forward-thinking leaders

Empathy and Compassion - We prioritize empathy, kindness, and emotional intelligence in all interactions. By nurturing a compassionate and supportive community, we ensure that our students develop the interpersonal skills necessary to foster strong relationships and lead with sensitivity

Excellence in Employability - We are dedicated to equipping students with practical skills and knowledge that enhance their employability. Through industry partnerships, internships, and career development programs, we ensure that graduates are job-ready and prepared to excel in diverse professional fields.

Sustainability - We recognize the importance of sustainable practices and encourage students to engage in initiatives that promote environmental and social sustainability.

Our commitment to sustainability is reflected in our curriculum, campus operations, and community outreach efforts

LOCATION & INFRASTRUCTURE

The college is located on the Rameswaram highway near the ECR junction at Ramanathapuram with excellent infrastructure at par with other top educational institutes in Tamil Nadu.

- Well furnished conference Hall and Class rooms
- Seminar and Examination Halls
- Facilities for sports
- Well equipped laboratories
- Canteen
- Well favored canteen with quality foods
- Campus security with CCTV surveillance
- Medical Facilities

LIBRARY

College library provides numerous resources and services designed to enhance teaching and learning. These resources encompass books, reference materials, newspapers, magazines, periodicals and digital contents. More than three thousand books on every subject including e books are available. Book Lending Service, Reference Service, Open Access Reprographic/ Photocopy Facility are provided by the library.

COMPUTER LAB

The college offers a well-equipped computer lab with more than 100 systems which enable students to engage in projects and assignments that need access to computers and the internet. This can improve the educational experience and create chances for students to work together with their classmates.

LABORATORY

The college has well equipped laboratories for Microbiology (Isolation lab, Diagnostic Lab and Zoology Lab) and Home Science (Food Science Lab, Biochemistry lab and Textile Lab).

SPORTS AND NSS

The National Service Scheme (NSS) & sports at our college aims at incorporating various activities to foster fitness, health, and a sense of social responsibility. The NSS seeks to enhance the personality and character of students by encouraging voluntary community service. Additionally, the NSS fosters the development of leadership abilities, teamwork, and a heightened sense of social responsibility among students. There is a full time physical director to oversee and managing all aspects of physical activity within an organization.

FACULTY

The college has well-trained professionals with in-depth knowledge of their subject area to provide students with in-depth understanding and critical analysis and offering guidance on academic choices, personal development, and future career paths.

TIMING

College functions in one shift

Timing - 10.00 am - 2.40 pm

<h2>CAREER GUIDANCE & PLACEMENT CELL</h2>
--

An extensive Career Guidance Program is provided to students to assist them in planning their further education. On-campus recruitment is a significant focus of this institution, and well-known companies are invited to participate in the hiring process. Career counseling and guidance initiatives are designed to assist students in making more informed decisions about their education and careers. These programs provide various advantages, including insights into career possibilities and the necessary academic and vocational training required for success in the job market.

Objectives

- Conducting workshops and seminars
- CV Building and Professional Grooming
- Internships
- Career Counseling
- Job Fairs
- Campus Drive

CELLS AND COMMITTEES

IQAC - INTERNAL QUALITY ASSURANCE CELL

Objectives

7. Translators
8. Mass Media and New Media 2

Tuition Fees- 14000

subject to revision

B SC - COMPUTER SCIENCE

Computer Science is a rapidly growing field and is expected to see large increases in employment opportunities. The study of computer science stimulates student's skills in problem solving, critical thinking and clear concise communication. The course emphasizes the fundamental concepts of computer system networks, security, database systems, computer graphics, programming languages, software engineering and theory of computing. We prepare our students to adapt the developments in this dynamic field

ELIGIBILITY : Higher Secondary with Mathematics / Business Mathematics with 50% aggregate marks or equivalent CGPA

CAREER PROSPECTS

Higher Studies:

1. MCA (Master of Computer Applications)
2. MIS (Master in Information Systems)
3. M.Sc. in Computer Science, Information Technology, Software Engineering, Information Science
4. MBA (Master of Business Administration)
5. B.Ed

Job Opportunities:

1. Programmer
2. Quality Analyst
3. System Analyst
4. Software Consultant
5. Marketing in IT Industry

Tuition Fees- 18000

subject to revision

BCA

Bachelor of Computer Application is a three year undergraduate program designed to provide students with foundational and advanced knowledge in computer science and information technology. It provides students with good breath of knowledge in core areas of Computer Application and related engineering so as to comprehend engineering trade –offs, analyse, design and synthesize data and technical concepts to create novel products and solutions for the real life problems

ELIGIBILITY : Higher Secondary preferably with Mathematics / Business Mathematics with 50% aggregate marks or equivalent CGPA

CAREER PROSPECTS

Higher Studies:

1. MCA (Master of Computer Applications)
2. MIS (Master in Information Systems)
3. M.Sc. in Computer Science, Information Technology, Software Engineering, Information Science
4. MBA (Master of Business Administration)
5. B.Ed.

Job Opportunities:

1. Programmer
2. Quality Analyst
3. Marketing Professional
4. System Analyst
5. Software Consultant
6. Marketing in IT Industry

Tuition Fees- 18000

subject to revision

B SC INFORMATION TECHNOLOGY

B Sc IT full form is a Bachelor of Science in Information Technology, a 3-year-long undergraduate program focused on the study of software development, software testing, software engineering, web design, databases, programming, computer networking, and computer systems. This course primarily focuses on subjects such as databases, software

and networking. It prepares students for careers in IT, software development, networking and other technology-driven fields.

ELIGIBILITY : Higher Secondary with Mathematics / Business Mathematics with 50% aggregate marks or equivalent CGPA

CAREER PROSPECTUS

Higher Studies

1. Post Graduation (M.Sc.-IT/ MCA)
2. Master of Business Administration – MBA
3. Studies abroad for MS or MBA
4. Masters of Technology
5. M Sc Technology
6. Masters of IT
7. Masters of Information Management and Systems
8. Masters of Science in IT
9. MBA in Information Technology

Job Opportunities

1. Application Programmer
2. Database Administrator
3. Information Security Coordinator
4. Hardware and Network Expert
5. Computer Support Specialist

Tuition Fees- 18000

subject to revision

B COM

B.Com General is a safe, friendly accessible environment where all the students and community members optimize their Academic, Career, and Cultural Development as our college continues to advance as a dynamic for life-long learning Integrity and Technical Advancement. The Programmes offered by the department are very much sought after by a very large section of students, who desire in excelling in Accounting, Audit, Finance, Marketing, Human Resources, Entrepreneurs, Computational Accounting, and Information Technology used in Finance. Careers in commerce remain in very high demand and offer not only the comforts of a high paying job, but also the intellectual challenges of a creative and productive profession. The department is consistently striving hard to offer a high quality, state-of-the-art education in commerce.

ELIGIBILITY: Higher Secondary with Accountancy and Commerce with 50% aggregate marks or equivalent CGPA

CAREER PROSPECTUS

Higher Studies

1. Master of Business Administration (MBA)
2. Master of Commerce (M.Com)
3. Chartered Accountancy (CA)
4. Chartered Financial Analyst (CFA)
5. Certified Management Accountant (CMA)

Job Opportunities

1. Accountant
2. Financial Analyst
3. Tax Consultant
4. Auditors
5. Business Analyst
6. Stock Broker
7. Sales Analyst
8. Economists

9. Banking Professionals
10. Human resources professional
11. Insurance professional,
12. Investment banker,
13. Money manager
14. Certified Public Accountant (CPA)

Tuition Fees- 14000

subject to revision

B.COM WITH COMPUTER APPLICATIONS

B.Com with Computer Applications is a three year programme which focuses on the application of computers in every business transaction. It has got a great scope in the field of commerce as well as software development. Bridging commerce and computer applications together helps the students to become smart and employable. Specialization in computer application in the area of commerce is an extra mileage for placements. It is an innovative program with modern curriculum which will contribute to the growth of commerce and the industrial development vital for nation building.

ELIGIBILITY : Higher Secondary with 50% aggregate marks or equivalent CGPA

CAREER PROSPECTUS

Higher Studies

1. Master of Business Administration (MBA)
2. Master of Commerce (M.Com)
3. Chartered Accountancy (CA)
4. Chartered Financial Analyst (CFA)
5. Certified Management Accountant (CMA)

Job Opportunities

1. Chartered Accounts
2. Financial Analysts

3. Finance Officers
4. Finance Managers
5. Auditors

8. Money manager
9. Certified Public Accountant (CPA)
10. Sales Analyst
11. Economists
12. Banking Professionals

Tuition Fees- 18000

subject to revision

B SC MATHEMATICS

B Sc Mathematics is a three-year undergraduate course that enables students to cultivate the analytical, interpretative, and logical skills necessary for pursuing a career in Mathematics. This program prepares students to tackle both concrete and abstract challenges and resolve them through critical observation.

ELIGIBILITY: Higher Secondary with Physics, Chemistry, and Mathematics (PCM) 50% aggregate marks or equivalent CGPA

CAREER PROSPECTS

Higher Studies:

1. M.Sc. Mathematics / M.Sc Applied Mathematics
2. MBA / M.Sc. Information Technology / MCA / PGDCA
3. M.A. Econometrics
4. B.Ed.

Job Opportunities

1. Data scientist

2. Statistician
3. Operations research analyst
4. Mathematics teacher
5. Market research analyst
6. Financial planner
7. Insurance underwriter
8. Heavy demand for Mathematics teachers in UK and USA
9. Statistician, Numerics – Manager posts in IT Companies
10. Self-Employment through Tutorial centers
11. Actuarial Asst. in Banks / Financial Institutions

Tuition Fees- 18000

subject to revision

B SC HOME SCIENCE

B Sc Home Science is a three year undergraduate course that focuses on women's educational empowerment, socio cultural development, and holistic health culture through professional training. The faculty's goal is to produce professionals who can work as academics, researchers, nutritionists, dietitians, fashion designers, interior designers, diet counselors, food specialists, and inventors. The excellent academic programme of the Department is enriched by the laboratory experience, as well as community outreach activities, supported by easy access to a Department library, computers, and other necessary facilities.

ELIGIBILITY: Higher Secondary with Physics, Chemistry, and Biology (PCM) 50% aggregate marks or equivalent CGPA

CAREER PROSPECTS

Higher Studies:

1. M.Sc. in Home Science/Nutrition Dietetics/Food Technology/Psychology
2. M Sc in Family and Community Science

3. MBA
4. Master of Public Health (MPH)
5. Master of Social Work (MSW)

CAREER OPPORTUNITIES

1. Healthcare Specialists
2. Nutritionist
3. Child Development Specialist
4. Home Economist
5. Fashion Designer
6. Interior Designer
7. Teaching and research
8. Food Technology professional
9. Clothing and textile
10. Self-employment related to food, clothing design and catering etc

Tuition Fees- 18000 *subject to revision*
--

B SC MICROBIOLOGY

B Sc in Microbiology is a three year undergraduate program that examines micro organisms such as bacteria, viruses, fungi, and parasites. Microbiology is a discipline within biology dedicated to the identification, classification, and study of microorganisms and their impact on human health and the environment. This course is suited for students curious about the intriguing realm of microbes and aspiring for a career in microbiology. In this article, we will explore the particulars of the BSc microbiology program.

ELIGIBILITY: Higher Secondary with Chemistry, and Biology 50% aggregate marks or equivalent CGPA

CAREER PROSPECTS

Higher Studies:

1. M Sc in Medical Microbiology/ Industrial Microbiology/ Food Microbiology/Agricultural Microbiology/Soil Microbiology/Applied Microbiology/ Bio informatics / Microbial Ecology/ Environmental Microbiology
2. Integrated M Tech
3. MS in Genetics, Immunology, Food, Agricultural, Medical, Soil, Mining and Veterinary Microbiology, etc.
4. MBA

CAREER OPPORTUNITES

Job Opportunities:

1. Healthcare- Medical microbiologist, Immunologist, Research scientist medical laboratory scientist, Clinical and Veterinary Microbiologists, Immunologist
2. Pharmaceuticals – Pharmacologist, Biotechnologist
3. Food production- Food technologist, Food microbiologist
4. Biomedical scientist
5. Clinical research associate
6. Nanotechnologist
7. Quality assurance technologist
8. Sales or technical representative
9. Virologist
10. Lab technician
11. Cosmetic chemist

Tuition Fees- 18000

subject to revision
