## Note from Management

### **Alhaj. P.R.L. Hamid Ibrahim** **Executive Director**

*We at Mohamed Sathak Hamid College of Arts and Science for Women believe that today's juvenile learner need to inculcate them in analytical orientation to understand and analyze complex real world tribulations. Our education system is anchored around this philosophy which is guided by our vision and mission.*

*Our aim is to equip the students with all obligatory skills by which they serve their communities and contribute to the growth and progress of the country. Also we are maintaining a close relationship with corporate to provide assistance to our students for work experience, which in-turn is creating a bridge between academics and professional world. To attain, our college has many students' bodies and clubs which provide them a platform to realize their potential and polish their talent by actively engaging in various activities.*

### **Alhaj. S.M.A.J. Habeeb Mohamed** **Director**

*Do not wait, the time will never be just right, start with where you stand and work with whatever tools you may have at your command" said Napoleon Hill. We started our mission with whatever resources we had today, we are in the fiftieth year having our branches across Tamil Nadu. Our vision was only to cater to the needs of the underprivileged and uplift them by providing quality education. "Education is the most powerful tool one can use to change the world". We have taken up this weapon to empower and enlighten. We strongly believe in expanding our service and cater to the growing population. As we celebrate the Golden Jubilee, we applaud and admire the service of every member of the Sathak Family. "We must remember that one determined person can make a significant difference and that a small group of committed people can change the course of history". We have created history and now we would like to add more pages as we go on the victory lap.*

## Note from Principal

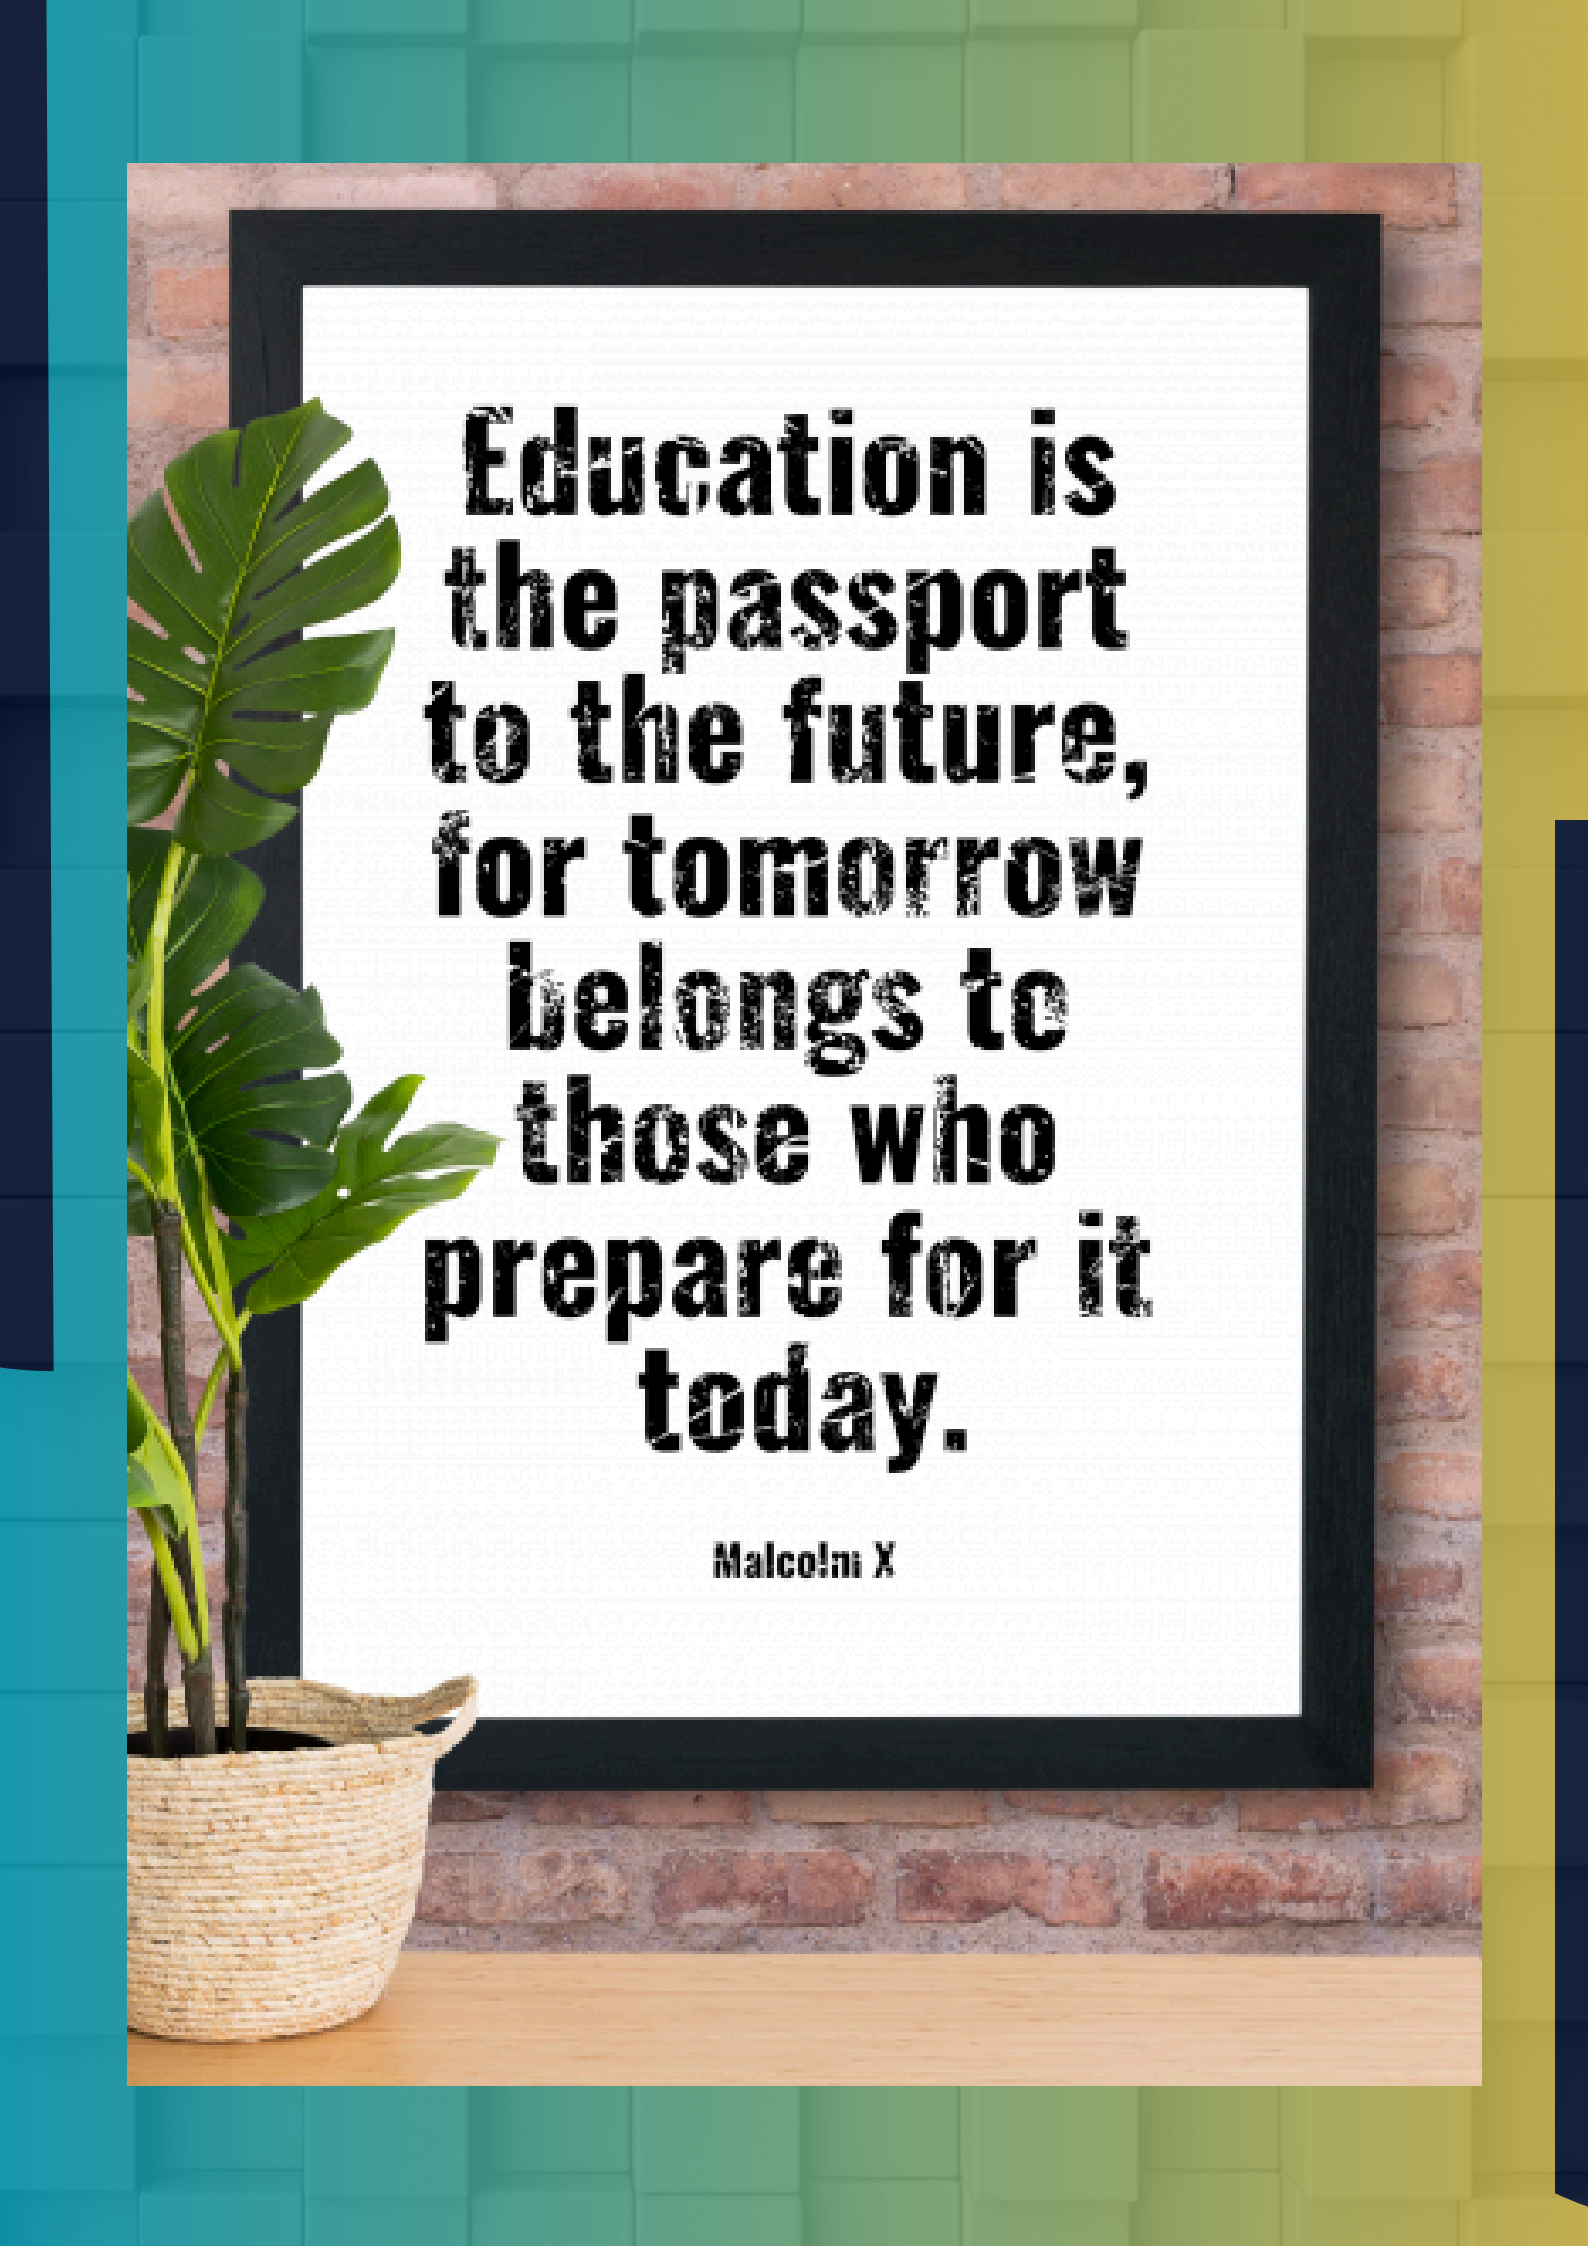

**Dr. M. MEERA**  
**MBA., PGDFMP., Ph.D**

*Education is an effective means for the emancipation and empowerment of women. Mohamed Sathak Hamid College of Arts & Science for Women is established with the sole aim of imparting quality education to women in the rural area of Ramanathapuram District and nearby places. I am honoured and proud to lead MSHCASW as its 4th Principal.*

*MSHCASW is focused on the holistic growth and development of our students fostering an inclusive attitude in the classroom and on campus. We take women empowerment seriously and groom our students with robust subject knowledge, self-confidence, and positive self-esteem and emotional intelligence. Our team of committed teaching and non-teaching fraternity are meticulous, passionate and committed to nurture the intellectual acumen of our students by providing them a fulfilling, engaged and cherish-able learning experience.*

*I welcome and cheer every single student to get deeply involved in their campus life as MSHCASW provides them with ample platform to express themselves in most creative ways. As the students step out of our campus completing their degrees, they would have already been empowered with necessary competence, skills, discipline and character which makes them victorious in their lives with integrity and dignity. Be empowered with MSHCASW!*

**MATHEMATICAL PUZZLES**

How many triangles in the diagram?

a) 50  
b) 32  
c) 21  
d) 25

Calculation:

$1 + 2 + 3 + 4 = 10$

Similarly, another two triangles = 20

$\therefore$  Three triangles =  $10 + 20 = 30$

$\therefore$  Total triangles = 30

Therefore, the total triangles is

$= 30 + 2 = 32$

Ans = 32

# DEPARTMENT OF MICROBIOLOGY

The Department of Microbiology has organized a field trip to the Mushroom culture unit on 17-08-2024 for I and II Year microbiology students to make them aware of the commercial production procedure of the white button mushrooms. To make students aware of how to strengthen livelihood by generating income by cultivating mushrooms. And also students about the production techniques of mushroom cultivation which is one of the most significant agri-business in the world.

Managing director of S. Krishna kumaari and trainer P. Kaliya moorthy, welcomed our students and explained in detail how to prepare compost, spawn preparation, casing, pinning, and harvesting the mushrooms.

The visit to the unit was very helpful as the students practically witnessed the step-by-step procedure of cultivation. We observed numerous variety of mushrooms, include *Calocybe indica* (Milky Mushroom), *Pleurotus ostreatus* (oyster mushroom), *Agaricus bisporus* (Button Mushroom) etc.

The Department of Microbiology organized 7 DAY- MICROBIAL ENTREPRENEURSHIP TRAINING PROGRAMME collaborated with V organic world Sustainable Products Manufacturing Company. This training session mainly focused on passion for a balanced ecosystem with subject knowledge and experience.

Microbial

Entrepreneurship is a course that opens the eyes of each microbiology student or, as a whole, Biology students, to the vast opportunities available in the current industrial market

Every year, the production and consumption of microbial byproducts are produced and consumed, but the real sources of key ingredients are hidden. Being a microbiologist, it's our time to understand the potential of microbiology and explore the job openings in various fields like food, dairy, fermentation, enzymes, agriculture, and the bio industry.

During this training period, they mainly focused on the basic, mandatory skill set improvement of microbiology students.

#### அவளும் நானும்...

பனிரண்டாம் வகுப்பு முடித்துவிட்டு எந்த படிப்பை எடுப்பது என்றே தெரியால் குழம்பிய போது...

ஒரு சத்தம் என்னை பார் என்று, என் கண்ணுக்கு யாரும் தெரியவில்லை, குரல் மட்டும் ஒலித்தது.

அந்த குரல் சொன்னது,

உன் கண்ணிற்கு நான் தெரியமாட்டேன் ஆனால், உன்னை எல்லோருக்கும் தெரிய வைப்பேன் என்று.

அவள் கூறிய அந்த ஒற்றை வார்த்தைமை நம்பி அப்படிப்பை எடுத்தேன்.

அவள் என்னவென்றே தெரியாமல் முதல் வருடம் கடந்தது, ஒஹோ! இது நான் விஷயமா என்று புரிவதற்குள் இரண்டாம் ஆண்டை முடிக்க போகிறேன்.

பல்வேறு கேள்விகள் என்னிடம் கேட்கப்பட்டது.

உன் படிப்பு எதற்கு? எந்த விதத்தில்? யாருக்கு உதவுகிறது? என்று என்னுடைய பதில், மருத்துவம், விவசாயம், உணவு, ரசாயனங்கள், பூதுப்புது தொழில்நுட்ப யுக்திகள் எல்லாம் இருக்கும் கெட்டிக்காரி அவளுக்கு எல்லாம் தெரியும்...

அவள் பேசிக்கொண்டே இருப்பாள், நான் கண்ணத்தில் கை வைத்துக் ரசித்து கொண்டே இருப்பேன், அன்று அவள் கூறிய ஒற்றை வார்த்தையை நம்பி அந்த படிப்பை எடுக்கேன், இன்று இந்த மூகலை கடற்கரை நகரத்து கதாநாயகிகளுக்குள் என்னையும், ஒருவளாய் உயர்த்தி இருக்கும், என்னவளின் பெயரை

தலை உயர்த்தி, நெஞ்சை நிமிர்த்தி, நரம்பு புடைக்கச் சொல்வேன் அவள் பெயர் 'நுண்ணுயிரியல்'.

என்னிடம் கேட்கப்பட்ட பல கேள்விகள் என்ன சிறப்பு இருக்கிறது உன் படிப்பில் என்று என்னிடம் கேட்பவர்களுக்கு நான் கூறுவது ஒன்று தான்

அரசாங்கம் போடும் நெடுஞ்சாலையை விட என்னுடைய உலகில் இருக்கும் Escherichia coli-ஓ சிறந்தது

விவசாய நிலத்தில் உரும் Tractor-ஐ விட என்னுடைய உலகில் இருக்கும் Axite batter - ஏ சிறந்தது

அன்று நீ useless என்று கூறி கயிறு தயாரிக்க கூடன் பயபடமாட்டாய் என்று ஒதுக்கிய பல பேர் இன்று Lactobacillus 20 வைத்து நயிறு தயாரிக்கிறார்களே

இதை விட வேறு சிறப்பு தெரியுமா தேவையா.....

என்னை பொறுத்த வரையில் கண்ணுக்கு தெரிகின்ற சில உயிரினங்களை விட கண்ணுக்கு தெரியாத பல உயிரினங்களை பிடித்ததல் தான் என்னவோ, அவற்றை தேடிப் படித்து தொடங்குகிறேன் என்னுடைய வாழ்வின் சாகச பயணத்தை நுண்ணுயிரியலின் வாயிலாக ..

## SHADOWS AND SCENTS

- A SHAHEELA IRFANA

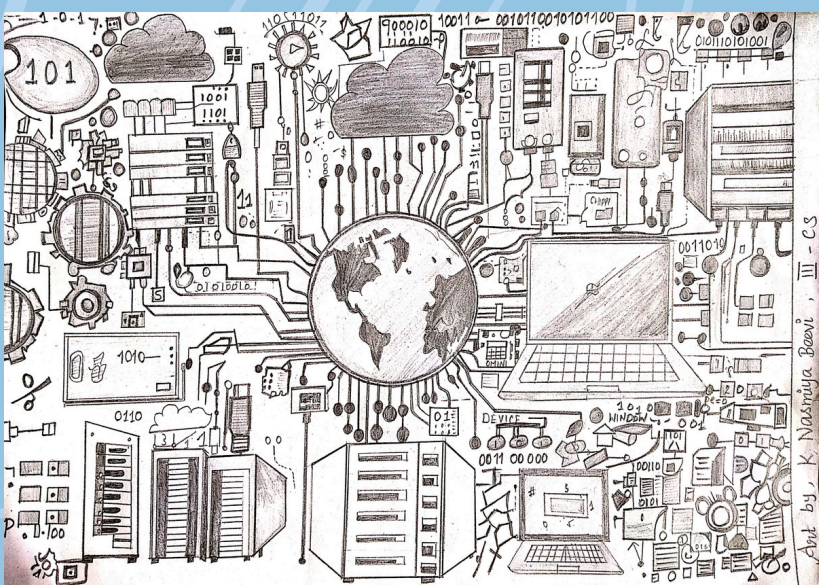

A shadow? Am I?  
Dwelling in darkness, or afraid of the lights?  
Concealed by a veil - But why?  
Hidden among hundred heads,  
Is it to remain unseen, or to disappear?

Debates swirls around,  
The weary soul stumbles  
I ran, and ran, through the bleakness of dawn,  
only to arrive at cliff's edge?  
The sky smirked, the crowing applauded

"Do you dive, or do you fly?"  
wings? I had none.  
yet I'd been soaring all along;  
The wild breeze cradled

The fallow blooms  
A scent tinged - guilt, or was it  
resentment?  
Sent by whom?  
Those who blind to my presence,  
or Those who relished my absence  
wretched.
